Procedure and Policies

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Procedures and procedures for the upkeep and use of physical, academic, and support facilities - Home science laboratory, library, sports field, computers classrooms . The institute has established processes and regulations for the upkeep and use of physical, academic, and support infrastructure. They are as follows: The Maintenance Committee, chaired by the the principal's office had been established by the institute to monitor the maintenance of buildings, classrooms, laboratories, computers, libraries, sports facilities, and so on. The institute has organised a Maintenance Committee to oversee the upkeep of the building, classrooms, labs and college grounds, among other things. Cleaning of classrooms, labs, all departments, the corridor, the college grounds, and so on is done on a regular basis by the support personnel allocated to the appropriate segment of the institute. A supporting staff perform all the maintainance, cleaning of the institution. A daily wages gardener has been hired to maintain the institutes plants. Central Library: Membership in the library is freely accessible to all students and members of the colleges teaching and non-teaching staff. They must fill out the necessary information on the library card. Library is fully automated with softwares. Sports facilities- The institute has sports facilities such as a sports department, a sports ground, a jogging track, Kabaddi, volleyball, and a kho-kho ground, among other things. These facilities can be used by all stakeholders. Computers- The institutes stakeholders have access to computers. The institution houses 30 computers. Students utilise the computer amenities according to their needs. The stakeholders of the institute have access to free Wi-Fi. The computers are maintained by hardware technicians who have been assigned to this responsibility.

IQAC alongwith web site provider maintains the Institutes website on a regular basis. Classrooms-The institute provides ample and roomy classrooms, as well as enough desks and ventilation. The timetable and classroom assignment are set by the time table Committee in order to make the most use of the available classrooms. The institution oversees the maintenance of CCTV cameras, water purifiers, and other equipment, for which electricians and specialists in their respective disciplines are employed as needed.
